It gives me immense pleasure to note that Green Society of India, Indian Exhibition Services and Confederation of RWAs (CORWA) are hosting World Environment Expo (WEE 2022)- An International Exhibition on Environment Protection Technology, Green Innovation, Clean & Green Energy, Ecofriendly Products, Recycling, Water & Waste Management. Along with WEE 2022 the World Environment Conference (WEC 22), the All-India Mayor's & RWAs Summit and Green India Awards 2022 are also being organized. I am sure, these important events will certainly prove to be force multiplier to the awareness about our living planet Mother Earth.

Organizing these kinds of knowledgeable events in the country would certainly provide a useful platform for the environmentalists & society in general. The initiative to organize World Environment Expo with its co-located and implicit events is an excellent effort on the part of the organizers.

I am sure these three days events will lead to exchange of thoughts and ideas, which would go a long way in protecting the environment.

The initiative taken by the Green Society of India, Indian Exhibition Services and Confederation of RWAs (CORWA) of hosting the World Environment Expo (WEE 2022) - An International Exhibition on Environment Protection Technology, Green Innovation, Clean & Green Energy, Eco-friendly Products, Recycling, Water & Waste Management is the dire need of the day.

I feel industry is also cooperating in waste management and by planting plants in their factories to reduce pollution and increase oxygen level. We all citizens have to do this selfless service to the planet by motivating youngsters to spread the message of Green planet, clean planet for our generation.

Whenever any function or event is organized instead of giving flowers, we should give plants to the guests.

VISAYAWADA railway station is totally on solar energy and it is the only station on the concept of GREEN ENERGY IN INDIA.

I am given to understand from the excellent brochure of the said event that World Environment Conference (WEC 22), All India Mayor's & RWAs Summit and the Green India Awards 2022 will also constitute a part of it.

Organizing these kinds of knowledgeable events in the country would certainly provide a useful platform for the environmentalists, society, policy makers, industry & the common man.

I am further happy to note that to commemorate this three days' event an e-Souvenir is being brought out which is bound to lead to exchange of thoughts and ideas for protecting our environment.

I convey my good wishes for the great success to every function of this event.

I extend my hearty congratulations to the Valiant efforts that Shri. Swadesh Kumar, Green Society of India and the Indian Exhibition Services are deploying to host the World Environment Conference & Expo 2022, and to Col. T.P.Tyagi, Chief Convenor national CoRWA for joining them to hold this year a significant event of All India Mayors Meet and Resident Welfare Associations Summit 2022 on 4th June at Pragathi Maidan in New Delhi. Whatever Commitments that the governments might take and experts might propose as solutions at the annual conferences of the State Parties (COP) meetings, it is ultimately the technological innovators and the manufacturers of appropriate equipment (both Indian and international) that would make it happen. It is for this reason, that it is appreciable that a proper platform is being provided for the urban citizens and their municipalities as stakeholders and as consumers to assess the adaptability, accessibility, affordability and sustainability of the exhibits. It would help us to go on with further research and development, which has become a pre-condition for human progress. I wish them a grand success.

‘पर्यावरण बचाने के लिए जनभागीदारी जरूरी’

पर्यावरण एक्सपो

नई दिल्ली, प्रमुख संवाददाता। सभी नागरिक को पर्यावरण के प्रति काम करना होगा। देश का हर नागरिक पर्यावरण स्वच्छता को लेकर संकल्प ले तो भविष्य को बचाया जा सकता है। विश्व पर्यावरण एक्सपो 2022 के तहत आयोजित सम्मेलन में उत्तराखंड के राज्यपाल सेवानिवृत्त लेफ्टिनेंट जनरल गुरमीत सिंह ने पर्यावरण बचाने के लिए जन भागीदारी पर जोर दिया।

उन्होंने कहा कि हमें राष्ट्र के प्रति देशभक्ति के कर्तव्य के रूप में पर्यावरण की स्वच्छता का संकल्प लेना चाहिए। ठोस कचरा प्रबंधन भारत के लिए

प्रकृति को बचाने की मुहिम में जुटे युवा

प्रगति मैदान में पर्यावरण पर आधारित सम्मेलन के साथ एक्सपो का भी आयोजन किया जा रहा है। इसमें युवाओं की उपस्थिति सबसे अधिक है, जो अपने स्टार्टअप के तहत उत्पादों को लेकर आए हैं। पर्यावरण संरक्षण से जुड़े इन उत्पादों को देश दुनिया में ख़ासा पसंद किया जा रहा है। जीटी करनाल रोड पर अपना स्टार्टअप चलाने वाली शिवानी मेहता और सौरभ मेहता ऑफिस, स्कूल, कॉलेज से लेकर सामान्य जीवन में इस्तेमाल होने वाली डायरी, पेन से लेकर सजावट से जुड़े उत्पाद तैयार करते हैं। 100 से अधिक मल्टी नेशनल कंपनियां उनके ग्राहक हैं। शिवानी मेहता ने कहा कि उन्होंने 2018 में स्टार्टअप के तहत रद्दी पेपर को रीसाइकिल कर उत्पाद तैयार करते हैं।

आधारभूत एजेंडा बन गया है। हमें नागरिकों की भागीदारी और वार्ड स्तर पर निगरानी के साथ अपशिष्ट प्रबंधन को लागू करने की आवश्यकता है। प्रगति मैदान में आयोजित एक्सपो में पर्यावरण के क्षेत्र में काम करने वाले

लोगों को उत्तराखंड के राज्यपाल ने सम्मानित भी किया गया।

कार्यक्रम में शामिल दिल्ली मेट्रो रेल निगम के एमडी विकास कुमार ने कहा कि सौर ऊर्जा के इस्तेमाल पर ध्यान देना होगा। साथ ही परिवहन के ऐसे

साधनों की तरफ तेजी से बढ़ना होगा, जो प्रदूषण मुक्त परिवहन सेवा मुहैया कराए। इस दिशा में दिल्ली मेट्रो निरंतर काम कर रही है। अंतर्राष्ट्रीय सौर गठबंधन के महानिदेशक अजय माथुर ने कहा कि देश ने बीते वर्षों में सौर ऊर्जा की दिशा में बेहतर काम किया है। सरकार और निजी स्तर पर लोग सौर ऊर्जा का इस्तेमाल तेजी से कर रहे हैं, जो पर्यावरण को बचाने की दिशा में सही कदम है। सम्मेलन ने नीति निर्माताओं, शोधकर्ताओं, गैर सरकारी संगठनों, शिक्षाविदों और उद्योगपतियों एवं सरकारी एजेंसियों से जुड़े लोगों ने अपने विचार रखे। सभी ने प्राकृतिक संसाधनों के इस्तेमाल पर जोर देने की बात कही।

पर्यावरण बचाने के लिए मिलकर करना होगा काम : गुरमीत सिंह

जागरण संवाददाता, नई दिल्ली: शहरों में प्रदूषण बढ़ता जा रहा है। पहाड़ों में भी बड़ी संख्या में प्लास्टिक पहुंच रहा है। यह स्वच्छ पर्यावरण को लेकर गंभीर संकेत है। हालांकि पर्यावरण को लेकर लोगों में पहले से जागरूकता बढ़ी है, लेकिन अब भी लोग इसे गंभीरता से नहीं ले रहे हैं। ये बातें उत्तराखंड के राज्यपाल ले. जनरल गुरमीत सिंह ने विश्व पर्यावरण दिवस पर कन्फेडरेशन आफ रेजिडेंट वेलफेयर एसोसिएशन व ग्रीन सोसायटी आफ इंडिया की ओर से प्रगति मैदान में आयोजित वर्ल्ड एनवायरनमेंट एक्सपो में बतौर मुख्य अतिथि के रूप में लोगों को संबोधित करते हुए कही। उन्होंने लोगों से अपील करते

हुए कहा कि हर किसी को पर्यावरण संरक्षण के बारे में सोचना होगा। पर्यावरण बचाने के लिए सबको साथ मिलकर आगे आना होगा।

कार्यक्रम में तेलंगाना के रामागुनडम से मेयर डा. बांगी अनिल कुमार ने कहा कि प्लास्टिक व इलेक्ट्रॉनिक वेस्ट काफी नुकसान पहुंचा रहा है। यूनाइटेड रेजिडेंट्स आफ दिल्ली के महासचिव सौरभ गांधी ने विभिन्न रेजिडेंट वेलफेयर एसोसिएशन के पदाधिकारियों को घर से ही गोले व सूखे कूड़े को अलग करने की शपथ दिलाई। इस अवसर पर पूर्व केंद्रीय मंत्री विजय गोयल ने कार्यक्रम में शामिल प्रतिभागियों को स्मृति चिह्न देकर सम्मानित किया।
